

Palisade Gardens and James Club Residents, Families and Friends

Great news.... the province of Ontario will be moving into Phase 2 of the reopening on Wednesday June 30, 2021.

I am sure many are wondering.... what does this mean for us? It means the residents will now be able to get a much-anticipated hair cut!!! YAY Other than that there are no changes at this time.

Social Activities on site: remain the same. We are permitted to have 25% capacity of a room and 25 people outdoors for our activities.

Visits – Remain the same. Please contact reception to book an appointment for one of our two designated visiting areas.

Although we are now going into phase 2 of the reopening, we must continue to stay focused on keeping everyone safe as the Covid 19 virus and the variants continues to cause a threat. We are required to continue to follow The Retirement Homes Policy to Implement Directive #3.

Thank you to all residents and families for continuing to follow the directives and keeping everyone safe.

Dana Dudley – Director of Care

Micki Mclean – General Manager
