

Dear Residents, Families and Friends of Palisade Gardens and James Club:

Allow me to take this opportunity to wish the entire community a very joyous and festive holiday season.

Each year during this time of hope and joy I like to pause and be grateful for my many blessings. It is in this spirit that I've been reflecting on all of the positive outcomes of the past year. Yes, we all know 2020 was nothing short of challenging but the difficulties we faced paved way to beautiful moments and reminders of how truly special life is.

From the empathy and consideration we showed one another, to the overwhelming generosity of the Cobourg community, to the moments spent visiting loved ones while safely distanced, to the long nature walks we took each day – we took the time to connect meaningfully and be fully present.

As you celebrate the holidays and reflect on the past year, please know that all of your sacrifices strengthened our community and be proud. I'd like to offer my sincere thanks to each of you for your continued collaboration, cooperation, and support. You are the foundation of Palisade Gardens and James Club and your contributions add to the character and quality of life in our community.

As the new year approaches, I hope you'll join me and pause to take stock of what is truly meaningful and important. We'll soon have a vaccine which will allow us to resume our routines, though my wish is that we won't soon forget the valuable lessons and positive outcomes that shaped us for the better.

My warmest wishes to each of you for a joyous holiday season and a happy, healthy and prosperous new year. May all of us and the whole world be blessed with a new year of peace, love and understanding.

Sincerely,

Josef Ger
